

## MMAB acquire the brand Teltex

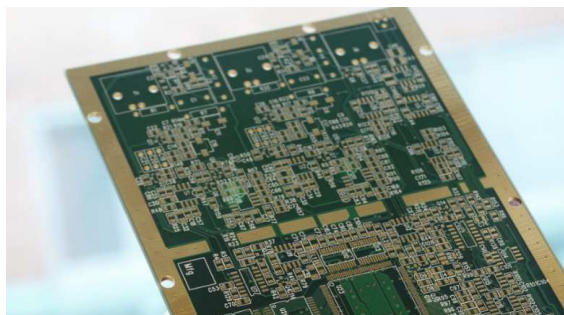

On the 22<sup>nd</sup> of May MMAB acquired the Brand Teltex.

The logo for TELTEX, featuring the word 'TELTEX' in a bold, blue, sans-serif font.

At the same time a major part of the machines was acquired. The Machines will be integrated into the Malmö plant during 2019. The acquisition is in line with the Technical Roadmap that MMAB has adapted to strengthen the production of printed circuit boards in Sweden.

Teltex was a printed circuit board manufacturer located in Stockholm, Sweden.

## Technical support for design engineers

MMAB prefer to support you with printed circuit design in an early stage. We can assist you with stack up, impedance calculations and design rules, to optimize design and lower costs. During order stage we can also offer panel design and paste file.

You can find technical newsletters with facts about printed circuit boards. If you need more design rules, you are welcome to send us a mail or give us a call and we will send you MMAB Design Guideline.
